PROFILE HIGHLIGHTS

- Third-year B.Tech Chemical Engineering student with a strong academic record and industrial exposure.
- Keen to contribute to ongoing projects and learn from experienced professionals.
- Eager to apply technical knowledge and contribute effectively to organizational goals.

EDUCATION

- | | |
|---|--------------------------------|
| ◦ Bachelor of Technology in Chemical Engineering
<i>Sardar Vallabhbhai National Institute of Technology</i> | 2023-Present
CGPA: 9.26 |
| ◦ Higher Secondary Education (GHSEB)
<i>M B Patel English Medium Secondary and Higher Secondary School</i> | 2022-2023
Percentile: 93.53 |
| ◦ Secondary Education (GSEB)
<i>M B Patel English Medium Secondary and Higher Secondary School</i> | 2020-2021
Percentile: 98.14 |

EXPERIENCE

- | | |
|--|--------------------|
| ◦ Gujarat Alkalies and Chemicals Limited
- <i>Vocational Trainee</i>
- Gained hands-on exposure to reactor systems, methanol chlorination and downstream distillation-based separation in chloromethane manufacturing.
- Studied the working principles of reactors, absorbers, distillation columns, heat exchangers and storage systems used in chloromethane manufacturing.
- Developed an understanding of utility integration, including steam and cooling water systems in continuous chemical processes. | Dec-2025
Baroda |
|--|--------------------|

Achievements

- **GATE Chemical Engineering 2026** – All India Rank (AIR) **170**

SKILLS

- **Technical Skills:** Aspen Plus®, Scilab, SolidWorks, LaTeX, MS Excel
- **Non-Technical Skills:** Canva (design)
- **Communication:** English, Gujarati, Hindi

POSITION OF RESPONSIBILITY

- | | |
|--|--|
| ◦ Career Development Cell, DoChE
- <i>Volunteered</i>
- <i>Organized</i> : Mock Interviews and Group Discussion | SVNIT
2025-Present
2025 |
| ◦ Indian Institute of Welding, SVNIT
- <i>Social Media and Design Manager</i>
- <i>Member</i>
- <i>Organized</i> : WeldWorks Workshop, IIW | SVNIT
2025-Present
2024-2025
2025 |

CERTIFICATIONS

- | | |
|---|------|
| ◦ Aspen Plus® Simulation Software Certified by NPTEL
- Simulated chemical engineering unit operations in steady-state mode
- Strengthened foundation in chemical process simulation for industry applications | 2025 |
| ◦ Lean Six Sigma White Belt Certified by CSSC
- Learned Lean Six Sigma fundamentals and the DMAIC methodology
- Process improvement, waste reduction, and continuous improvement concepts
- Tools Learned: 5S , Process Mapping , Root Cause Analysis | 2025 |

EXTRA CURRICULAR

- | | |
|--|----------|
| ◦ Participated in Chem-O-Philia competition by AZeotropy IIT Bombay | Jan 2024 |
| ◦ Industrial visit in Larsen & Toubro, Heavy Engineering Plant by IIW, SVNIT | Nov 2024 |
